LaComunidad Hispana		Health & Community Services 731 West Cypress Street Kennett Square, PA 19348 & LCH Oxford Community Health Center 303 North 3rd Street, Suite #2 Oxford, PA 19363	(610) 444-7550 http://lacomunidadhispana.org/about-us/	LCH is a diverse, bilingual Federally Qualified Health Center in southern Chester County, Pennsylvania. Our pediatric providers have a passion for creating a supportive environment for children to grow up happy and healthy. The addition of pediatric services allows for all members of a family to receive medical services at LCH. In addition to primary, preventative, and acute care services for children, LCH offers a free dental fluoride varnish from six months (or the first tooth eruption) to two years during primary development. Whether your child has private insurance, Medicaid, CHIP, or is uninsured, no one is turned away.
ChesPenn Center for Family Health at			(610) 380-4660 http://www.chespenn.com	ChesPenn provides affordable and

Coatesville, operated by ChesPENN Health Services				accessible primary health care services, regardless of income or insurance status. A self-pay option on a sliding fee scale is available for those without insurance. Since 1973, ChesPenn Health Services has provided quality medical and dental services to residents of Chester, Pennsylvania and neighboring communities.
